January 18, 2007

## ROUTE 210 CLOSURE NOTIFICATION – WEEK OF JANUARY 22

The Route 210 construction project will require the following closures in Rialto and San Bernardino the week of January 22:

### **Eastbound Route 30 – Lane closure**

A lane closure on the eastbound Route 30 outside lane between Miramonte Drive and H Street in San Bernardino will occur weekdays through January 26, from 7 a.m. to 3 p.m. Construction crews will work on utility upgrades.

### **Casmalia Street – Intersection closure**

A temporary closure of the intersection at Casmalia Street and Lilac Avenue in Rialto will continue through mid February. New drain pipes will be installed in preparation for the new freeway. In the beginning, a full closure will be necessary. During the full closure, motorists can use Cactus Avenue and Riverside Avenue as an alternate route. As the work progresses, lane reductions will be in place, but motorists will have access through the intersection.

### **Casmalia Street – Eastbound closure**

Eastbound Casmalia Street at Ayala Drive in Rialto is closed to all motorists. This closure will remain in effect until Route 210 opens in late 2007. During this closure, motorists can use Ayala Drive and Riverside Avenue as an alternate route.

### **Eastbound Route 30 to northbound Interstate 215**

A full closure of the eastbound Route 30 connector to northbound Interstate 215 will continue until the Route 210 construction is complete later this year. As an alternate route, motorists should travel east on Highland Avenue, north on 27<sup>th</sup> Street and enter northbound Interstate 215.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov). SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

**Remember, Safety: It's no accident!**
